La full stack squad

The diagram illustrates a 'La full stack squad' structure. It consists of 13 team cards arranged in a 3x4 grid. Each card represents a team and contains the following information:

- Team Name:** 'La full stack squad' (implied by the title and consistent across all cards).
- Team Lead:** 'Maitre de machin' (implied by the title and consistent across all cards).
- Team Members:** A list of team members, each with a name and a role (e.g., 'Nom', 'Maitre de machin').
- Team Description:** A brief description of the team's mission or goals.

The cards are arranged in three rows and four columns. The first row contains 4 cards, the second row contains 5 cards, and the third row contains 4 cards. Each card has a light gray background with a darker gray header and footer. The team name is displayed in a large, bold font at the top. Below it, the team lead's name and role are listed. The team members are listed in a bulleted format, each with a name and a role. The team description is located at the bottom of the card.
